

What does Foothill have to offer?

Foothill Baptist School offers a Christian, family-oriented educational environment for children in Kindergarten through 12th grade. Our beautiful campus is home to approximately 150 students and provides an ideal learning and growing experience for children from all walks of life.

Educational Value

A private education is an investment in your child's future. We are a family-oriented Christian school dedicated to educating your children and preparing them for their future. Combine this with our central location, attractive and modern facilities, and most importantly, teachers dedicated to seeing your child reach his or her full potential, and you'll come to see the value thousands of parents like you have seen over the 19 years we've been educating children in Moreno Valley.

Learning Place for All

Foothill Baptist School's doors are open to any family committed to a solid and sound Christian education for their child. For 19 years our enrollment policy has brought together children from all walks of life, ethnic origin, and social status. As they learn together, play together, and pray together, children not only get an excellent education; they also learn core spiritual and moral values that will guide them through life.

Dedicated Professional Teachers

A teacher is an important role model in your child's eyes, and each of our teachers is dedicated to ensuring that trust is utilized to help maximize your child's learning. Our staff are dedicated Christians, and this is demonstrated in the classroom as well as in all school-wide programs. All teachers are encouraged to take continuing education courses each year.

Solid Academic Program

You send your child to school to learn, and you want your child to have the best education possible. This is Foothill Baptist School's highest priority. Our intimate campus means that our teachers get to know each child's abilities and learning style. Classrooms for Kindergarten through 6th grade, and subject-based middle-school and high-school departmentalization for select subject areas help to ensure optimal teacher/class instruction and learning. The A Beka curriculum includes all core subjects mandated by the State of California, but it goes beyond this in the areas of Bible, music, and art curriculum. Parental involvement in school activities is welcome and encouraged.

More Than Book Learning

Your child's learning extends well beyond bookwork. Foothill Baptist School students get the exercise they need in our P.E. program and your child learns how to care for God's wonderful gift of a healthy body. Developing musical skills is possible through participation in various musical opportunities. Drama and musical programs are practiced and presented throughout the school year in on-campus and church venues. Throughout the school year, various off-campus field trips open up new worlds of wonder and excitement—inspiring young minds to stretch for new goals.

Functional Facilities

Our new 3 million dollar school facility is state of the art in every way including our new basketball/volleyball gym with reduced injury flooring. Classrooms are equipped for learning in a clean and quiet environment. When the bell rings for recess, your child can head out to our new playground, playing on swings, tether ball courts, or join a game of soccer on our field. Of course, our gym is warm and dry for rainy day play.

Safe Place for Learning

Foothill Baptist School strives to follow the ideal Jesus expressed with the words “when you have done it unto the least of these, you have done it unto me.” Our staff help children learn how to resolve conflicts and how to consider the feelings and needs of others. Acts of thoughtfulness and kindness are recognized publicly to help your child develop a sense of caring. School policy requires all staff and all on-campus volunteers with access to your child to have passed a rigorous screening check.

Prime Location

Located right off of the freeway, Foothill Baptist School is very convenient and is easily accessible from I-60, and Box Springs Road. Moreno Valley, Perris, Riverside, and Corona are just some of the cities our students call home. Public bus transportation is available and the bus stop is in front of our property.

Affordable

Our registration and tuition rates are reasonable, \$330 to register (includes books) and \$330 per month. There is approximately a 5% discount on tuition for the second and 50% off for the third student in the same immediate family. The fourth child’s tuition is free. We also offer 10% off for early registration each spring. Our goal is to make Christian education affordable for everyone.
