Experiencing God: Knowing and Doing the Will of God, Revised and Expanded

Beth Lockamy & Billy Garner

This study shows believers how to know God intimately, and encourages them to step out in faith and join Him in His work - with miraculous results. The revised study contains many examples: from Angola Prison inmates earning seminary degrees to the spiritual and economic rebirth of a poor Appalachian community. These testimonies are truly amazing, but God has more work to do. Will you join Him?"

Parenting Tweens & Teens

Led by Sam Burnett (a licensed counselor who has been counseling high school students for over 20 years.)

Forget the formulas - A revolutionary approach to parenting. Move into your child's life with genuine grace and love. Guide your preteen or teen toward maturity, responsibility, and Christ-likeness. Focus your energy on things you can control rather than on what is beyond your control. Build your own personal style of parenting.
