## Thank You for Another Wonderful Memorial Day Picnic!

Dear Church Family,

We are thankful and delighted that so many came together to celebrate Memorial Day! And what a lovely day we were blessed with. So many of us worked together to make it happen. Our "Solid Gold" LIFE Group and others got all of the canopies set up on Friday. After worship on Sunday the "Meet, Greet, and Eat," "Young Adults," and "Solid Gold" LIFE Groups, along with some others, joined together to set up tables, chairs, games, and put up decorations.

On Monday, at the start of the picnic, Dan Cooper and Paul Stanford set the tone for the day with words of encouragement, enlightenment, and prayer.

Thanks to Harry Ake for making sure we had plenty of ice, and to Bonnie Wilson for taking charge of the beverage center.

A BIG "thank you" goes to our four grill masters: Ray Holmes, Joe Marshall, Dave Perine, and Ray Wilson. Didn't they do a fine job!

We missed Greg Krinks as our "director of parking" this year, but Tom Toy and Corny did a great job filling in. Our neighbors, the Allens, Ginleas, Cliffords, and Holtshousers allowed cars to be parked on their properties.

Dorothy and Charles Seitz made sure the Port-a-Potty stayed clean. A job that often goes unthanked, but is greatly appreciated!

Thanks to so many who cooked and contributed food. Thanks to all those who helped serve food...and we must not forget those who washed dishes!

Don't we have some awesome talent among us? Thank you Brian Kleineweber for organizing our entertainment, and those who assisted him and shared their talents.

All of the kids enjoyed the pool in safety...thanks to our lifeguards Keon Kleineweber and Jen Pearl.

Wow! What a day! We even had a crew show up the next day to dismantle and store away canopies, chairs, tables and games for another year.

Thank you to all those named and unnamed for a job well done! To God be the glory!

Love you all!

Phyllis and Corny Walker

PS: Missing any items you may have left at the picnic? Call Phyllis or check in the Family Life Center.

***And thank you Corny and Phyllis for once again hosting this annual event that we all look forward to each year!***

## A Few Moments with Merle

### ONE

Carlos told this story on Sunday during class: A boy was throwing starfish back into the ocean. There were hundreds on the seashore. The older man said, "You can't make a difference. There are too many." The boy reached down and picked up another one, and threw it back into the ocean. "I made a difference to that one," he said.

Jane Hanuszczyk beamed as she shared how God has been working in her life. "I have been praying for a man (I didn't even know his name) for a year. I have prayed that God would break his heroin addiction. I prayed every day for a year. I learned last week that the man has been clean for 95 days." Praise God! It is amazing what one prayer prayed for one man will do.

Last Sunday I was in the back of the auditorium serving as an usher. After he had served Communion, Bill Wills came up to me and asked, "Do you need a break?" I responded, "Sure. Would love to go and sit with my wife during the rest of worship and the sermon." Bill is a servant, and is always looking for opportunities to help and serve others. He is making a difference.

The Kingdom of God grows because of what one person does, multiplied by tens and hundreds. You may think "I can't do much." But one person is just enough to make a difference. What is God leading you to do? Will you do it?

## Red Cross Blood Drive Friday, June 13th, 2:00 –6:00 PM

As summer is rolling in, so is our next Red Cross blood drive. We are once again requesting your help in meeting our 2014 blood drive goals. We offer two opportunities per year to give blood right here at the Pitman Road building.

This past year was challenging. There were many illnesses and new rules and guidelines that prevented us from meeting our goals. For example, if you receive immunizations within 60 days of the blood drive, you may not give. Therefore, several showed up to give blood only to be informed that eligibility requirements were not met.

I implore your help this year in assisting us in surpassing our goals. I don't need to remind anyone of the tragedies that have occurred in our congregations and families in which blood was used in an attempt to save a precious life. Please consider donating a unit at this upcoming blood drive. The signup sheet is on the information center counter. If you have any questions or concerns, please do not hesitate to contact me. Thank you in advance for your service.

## ARE WE DONE YET?

Have you ever worked a job and at the end of the day wondered if you finished everything that needed to be done? **Come to the Wednesday Night Family Promise sessions on either June 11th or June 18th.** We will get down to the "nuts & bolts" of what tasks must be completed during our host weeks. We will cover topics including: how to find the answers to questions that may arise; where to find daily schedules of volunteers who cook, drive or host; how to identify which rooms are the guest rooms and which rooms are the overnight host rooms; locking up for the night; and what to do in an emergency. There will also be time to ask questions.

**Also, sign up now for our next host week, July 6th-13th, at the Family Life Center. Many volunteer slots are still available!**

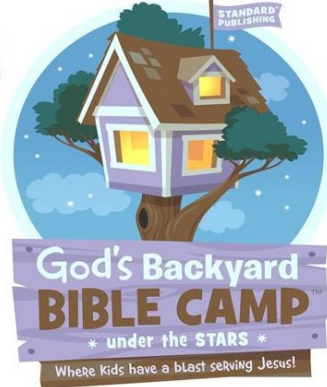

Contact John Ashton or Mary Collier if you have any questions about volunteering or these sessions.
