

OUR VISION

To work in partnership with churches from across Ontario to help identify, shape, and empower emerging leaders for the mission.

In the context of a shared learning community of other adult leaders, participants in the program will be given opportunity to **deepen** their **character**, **increase** their biblical and theological **knowledge**, and **broaden** their ministry **skills**.

Ask the Lord of the harvest to send out workers into his harvest field.

Luke 10:2

WHO IS THE ECLDN FOR?

Somebody who is . . .

- Already active in their local church or community in a leadership position.
- Ready to be challenged to grow in the next level of leadership
- Able to articulate how the ECLDN can help them reach that next level.
- Prepared to complete monthly readings and assignments that supplement the learnings in the monthly sessions.
- Ready to have God move in their hearts and to be challenged to have a love and passion for their community.
- Prepared to be mentored and to be held accountable.

. . . **does this sound like you?**

What does the ECLDN involve?

Monthly Participant Sessions:

Participants gather monthly at one of our two sites on the first Saturday morning of the month (October–May) for times of interactive learning and instruction. Readings will be assigned between sessions.

Mentoring Meetings:

Each participant is matched with a trained mentor who will reflect with the participants on the learnings of the last month.

Local Hands on Ministry:

An expectation of the program is that each participant is involved in 'hands on' ministry in their local context.

Annual Retreat

An annual overnight retreat for all participants and their mentors is held each June as the final session of the ECLDN.

What does the ECLDN cost?

Registration Fee:

As a part of the registration process there is a one time registration fee of \$130.

Program Fees:

\$1300 per year includes the registration fee, all sessions, assigned books and participation in the annual retreat.

Financial Aid:

Scholarships for visible minorities are available. Some participants also receive needed financial assistance from their local church.
