“Not Today Satan!”

**FAITH CAN MOVE
MOUNTAINS**

Do you know someone that is between the ages of 18-30s that needs a group to belong, where they are welcomed in to talk about what's going on in their life? Where do they go to make meaningful, likeminded relationships that please God? **INVITE THEM TO SUMMIT!**

At Summit, we talk about how the Bible relates to and answers all the questions we have in this crazy world we live in. The College and Young Career Ministry is a community of college age and young working adults, committed to encouraging one another and growing together, by focusing on Jesus Christ and the truth of God's Word. We gather at 7:45 p.m. on Wednesdays downstairs for worship and Bible study. We dive in to learning how to be a light in a dark and perverse world and not only develop our relationship with Christ personally, but learn how to invite others to know who Christ is, and sometimes we use words. Summit has a member Facebook page where members can keep up on all the Group's happenings!

Any questions about this growing ministry and the adventures they have, please call Jeff or Tonya Losh at 304-421-5733.
