

PREPARE THE WAY...

As Jesus has been visiting Iris Mize with many and varied evidences of the Father's love over the past four years, the Mize church has more than tripled in numbers. Moreover, the weekly evangelistic program for village children has quickly outgrown its first home in the refectory of the Mize children's centre. And other new community healthcare programs are also in need of more growing room. God's people around the world have partnered with God's promise of 'hope and future' for this faithful and fervent church community. And now we are looking forward to the official opening of our new church and community centre in Mize in June 2010.
